Carolyn Cavecche is owner, grower, and chief dreamer at Flowers from the Thicket, a micro flower farm in Orange, California. She specializes in growing seasonal flowers and delivers them from the field to local florists with no shipping involved.

Carolyn will tell us about growing seasonal flowers with tips on arranging them. She planted a late September harvest just for our club and fresh tissue wrapped bouquets will be available for \$10 to \$20. Come, meet Carolyn Cavecche and hear her passionate visions for a local flower movement.

A free raffle follows the presentation.

Laguna Woods residents and guests are cordially invited to attend.
