

Create An Inviting Shade Garden

Friday, June 21, 2024 at 2:00 p.m. in Clubhouse 5

Julie Bawden Davis is an avid gardener who has published widely. Her knowledge of gardening is diverse and she gives sound, practical science based information in her talks.

Julie says a shady garden is a welcome retreat when local temperatures soar, but It can also be challenging. A lack of sunlight can lead to more pests and diseases. A wide variety of lovely plants thrive in low light conditions and with careful planning you can create a beautiful garden oasis. Julie will bring her books, shade plants she has grown and arranged in planters, all priced between \$10-20.00.

**Refreshments and a free raffle follows the presentation.
Laguna Woods residents and their guests are cordially invited.**

**Members no charge.
Non members pay \$5.00 at the door.**
