

## **FOODIES CLUB**

The Foodies club goes to wide variety of restaurants to learn more about the cuisines and cultures of various Orange County ethnic groups. We also patronize American and traditional restaurants in all price ranges and share our experiences with members at the meetings.

We have a membership list so that members may contact each other individually and a list of recommended restaurants.

Members plan and organize restaurant visits and discuss and share information on these restaurants. This results in some lively discussions. Our list of restaurants is the result of those discussions. It is added to regularly.
