**Wednesday, February 23, 2022 at 2:00 p.m. in Clubhouse One**

Deirdre Gordon is a talented artist and had a successful career as a floral and light designer for large corporate and social events and high profile weddings. She arranged flowers for the visit of Queen Elizabeth and for the 1992 Barcelona Olympics. Deirdre studied art in South Africa before moving to Texas and now lives in Laguna Woods. During her Garden Club Membership she chaired many activities and was Head Supervisor and President of the Art Association.

In this exciting presentation Deirdre Gordon will use things gathered from around Laguna Woods; things on the ground and climbing the walls, what's fallen from trees and what the gardeners are about to discard..She will give you professional tips and ideas the pros haven't even considered. Deirdre might find a tchotchke from the closet to add to her designs. You'll have fun learning to create something on the cheap that will give you endless pleasure.

A free raffle follows the presentation.
