

GOT CONSTRUCTION WASTE?

It is illegal to put construction waste in the community dumpsters. Waste Management works hard to meet State-mandated environmental requirements by disposing of construction materials properly. Waste Management cannot clear the dumpster if any of these materials are present:

CONTACT WASTE MANAGEMENT
at 888-275-1401 or www.wm.com
prior to making manor
alterations, or self-haul to a
qualified facility. Consider
requesting that the contractor
include waste handling costs in
the quote.

REMEMBER: IF YOU OR YOUR CONTRACTOR PLACE CONSTRUCTION WASTE IN THE DUMPSTER, YOU WILL BE SUBJECT TO DISCIPLINARY ACTION
