### Primary rules governing occupancy – Third Laguna Hills Mutual

The parties to this agreement are the mutual corporation, hereinafter referred to as “the mutual”; the member, hereinafter referred to as “member,” and whose signature appears on the reverse side of this application; and the applicant(s) for occupancy, hereinafter referred to as “co-occupant,” and whose signature appears on the reverse side of this application. In consideration of their mutual undertakings, the parties hereto agree as follows:

1. Co-occupant shall be entitled to occupy the unit indicated on the reverse side of this application.
2. Co-occupant and member affirm their intent that the co-occupant will reside in this unit and that occupant is 45 years of age or older, or is the spouse or registered domestic partner of the qualifying resident, or is a disabled child/grandchild.
3. In Third mutual, non-members may reside only if they co-occupy with members who are in residence (and meet the requirements of Section 2 above) or are the parents of members, with one qualifying resident at least 55 years of age.
4. Co-occupant shall be entitled to the use and enjoyment of the facilities and services provided by the Golden Rain Foundation on the same basis as members of the foundation, but will have neither ownership nor voting rights in the foundation or any mutual.
5. Member shall be responsible for the conduct and deportment of the co-occupant.
6. Co-occupant shall be subject to the same rules, regulations and restrictions that are applicable to the member, except with respect to payment of carrying charges. If co-occupant ever shall become the legal or equitable owner of the membership, co-occupant will apply for membership in the mutual in the form generally used by the mutual and will pay all amounts due pursuant to the CC&R's.
7. Member and co-occupant shall be equally responsible for payment of any charges incurred by co-occupant in respect to service provided by Golden Rain Foundation or the mutual.
8. Member agrees to pay to the mutual an additional sum each month for each occupant of the unit in excess of two, at the rate prescribed by the mutual and/or GRF.
9. Members shall be responsible for canceling the co-occupancy status and returning co-occupant's ID when occupant ceases to reside in the unit.
10. Any party may terminate this agreement at any time upon 30 days written notice to the other parties to this agreement.
11. In order to induce the mutual to execute this agreement, the other parties agree that they have no rights against the mutual as a direct or indirect result of the execution of this agreement, and in the event that there are any expenses incurred by the mutual to enforce the terms of this agreement, or to remove or take other action, or to defend any action relative to member or co-occupant, as a direct or indirect result of this agreement, member and co-occupant agree to hold the mutual harmless from and to pay all costs or expenses incurred by the mutual, including, but not limited to, attorney's fees, court costs or related expenses.
12. Guests may stay a maximum of 60 days per year, and **only while the qualifying senior resident is in residence.**

### Notice to members and applicants

Approval of this application by the mutual, in and of itself, does not confer any right on the co-occupant other than the revocable right to occupy the unit named on the reverse of this form. As indicated, both member and the mutual generally have the right to terminate occupant status at any time, without cause, provided, however, that Section 51.3 of the California Civil Code may be interpreted to inhibit this right of termination in certain circumstances.

## Notice

**To:** Employees, contractors employed by the Laguna Woods Village associations, members and prospective purchasers of dwelling units at Laguna Woods Village, Laguna Woods

**From:** Village Management Services Inc.

**Subject:** Disclosure notice: Laguna Woods Village buildings constructed with asbestos-containing construction materials

---

Health & Safety Code 25915.2 and 25915.5 require the mutual to provide annual notice about the existence of asbestos-containing materials (ACM) in nonresidential public buildings in the mutual to all employees and contractors performing work within said buildings, and to all members of the mutual.

In addition, the mutual is required to disclose to new owners, within 15 days of acquiring title to a unit, the existence of asbestos-containing material in nonresidential public buildings within the mutual.

Village Management Services Inc., as employer, and as agent, for the associations that own or manage the buildings at Laguna Woods Village, Laguna Woods, for their members, hereby notifies all its employees, contractors and all mutual members and transferees, that some buildings within Laguna Woods Village have been surveyed and found to contain asbestos.

The analytical method used to determine asbestos content was polarized light microscopy/dispersion staining. Since the community has an active asbestos operations and maintenance program, testing is ongoing. Because of the high cost to conduct a complete asbestos survey and analysis of all buildings, surveys are conducted only upon repair, remodel, addition to or removal of a building or part of a building suspected to contain asbestos materials, as required by labor codes. The certificates of analysis for any testing received to date are available to employees, contractors, owners and tenants and transferees for review and photocopying from the Laguna Woods Village Human Resources/Safety Office, 24351 El Toro Road, Laguna Woods, CA., between 9 a.m. and 5 p.m., Monday through Friday.

The following buildings in Laguna Woods Village, Laguna Woods, were constructed prior to 1979 and thus *may* contain asbestos in one or more construction materials: All community facilities buildings (with the exception of Clubhouse 7, the mini-gym at Clubhouse 1, the broadband services building, the Laguna Woods Village Community Center, the vehicle maintenance building, and a portion of the warehouse—all constructed after 1979), including clubhouses and outbuildings, library, maintenance warehouse building, stables, gatehouses, garden center buildings, all detached laundry buildings and residential buildings numbers 1 through 5543 inclusive.

*Disclosure notice: Asbestos-containing construction materials continued on next page*

*Disclosure notice: Asbestos-containing construction materials continued from previous page*

At the time most of the buildings in Laguna Woods Village were constructed, asbestos-containing materials met local codes as well as state and federal regulations and were extensively used in *many* building products, including but not limited to: ceiling tile, floor tile/linoleum and mastic, textured wall surfaces, sprayed acoustical ceilings, fire doors, structural fireproofing, pipe/boiler insulation, attic insulation and heating duct material/insulation.

According to the National Cancer Institute and the Environmental Protection Agency, any asbestos in these materials does not present a threat to health so long as the asbestos is not disturbed and does not become airborne.

However, because breathing asbestos has been known in some instances to cause cancer and other forms of lung disease, sanding, scraping, drilling, sawing, crushing, tearing/breaking up or otherwise disturbing asbestos-containing materials presents a potential health risk. Therefore, you are directed not to perform such tasks in areas with ACM present or suspected unless the area/materials have been tested and found not to contain asbestos or if specifically assigned or contracted to do such work and it is in accordance with all federal, state, and local laws as well as internal guidelines called for in the asbestos operations and maintenance plan and other company safety and environmental policies and procedures.

Village Management Services Inc. employees whose work orders require them to construct, repair, maintain or otherwise disturb construction materials that may contain asbestos are hereby directed to follow the current regulations and policies noted above and to wear the required protective equipment, prior to performing such work. Questions concerning instructions and equipment should be directed to the HR/Safety Supervisor at 949-597-4321.

It is illegal to place asbestos materials or debris in Laguna Woods Village trash dumpsters. Such materials must be disposed of separately in accordance with state and county regulations to avoid fines. Contact the HR/Safety Supervisor at 949-597-4321 for details.

If you become aware of any asbestos-containing material becoming damaged or otherwise disturbed, please contact Laguna Woods Village Customer Service at 949-597-4600, or the HR/Safety Supervisor at 949-597-4321.
