

Laguna Woods Village®

Sing in the New Year

with **James Darren**
Featuring the **Dave Siebels Band**

**Performing Arts Center
December 31, 2018**

James Darren is perhaps best known as the actor who played Moondoggie in the original *Gidget*, and more recently, the character of Vic Fontaine in *Star Trek: Deep Space Nine*. Concurrently with his acting career, he spent the '70s signing in nightclubs in Vegas, Reno, Tahoe and fairs around the country. Mr. Darren follows in the footsteps of his idols Frank Sinatra and Tony Bennett. He has an easy, Bennett-like voice—instantly likeable, rich and emotionally resonant.
