

PAINT PROGRAM

United

The painting of buildings, carports and laundries will continue working in cul-de-Sac 82 and begin working in cul-de-sac 9 during the month of September. All work is scheduled (barring inclement weather) as part of the United Laguna Woods Mutual exterior paint program.

Third

The painting of buildings in cul-de-sac 359 and cul-de-sac 360 will begin during the month of September. All work is scheduled barring inclement weather, as part of the Third Laguna Woods Mutual exterior paint program.

Work on these structures will be scheduled based on staff availability, work-flow, weather and other factors. Schedules are subject to change. The paint process will include repairing or replacing dry rotted building components, pressure washing, scraping, patching, sanding and applying paint to exterior components.

Please direct all questions to the Maintenance and Construction Department at 949-597-4621.
